

*Dig a little deeper; Reach a little higher*

## Vision Statement

St. Raphael Adult Faith Formation serves parishioners by planning and presenting parish programs that express and deepen their love for God, one another, and the Church.

Six dimensions guide program content as we strive to let ***Christ be Known, Celebrated, Lived, Praised, Shared, and Given.***

Various formats are used, including retreats, lectures, DVD's, online resources, and discussion groups.

The St. Raphael AFF Team plans and promotes programs for the parish as a whole, and supports adult faith formation programs offered though other parish ministries.
