

Women of Grace

Women's Study

You're invited
be a part of the
eight-session study
starting
September 21, 2012
at St. Raphael Parish

*Treat your soul to a wonderful
deepening of your Catholic
faith and prayer life.*

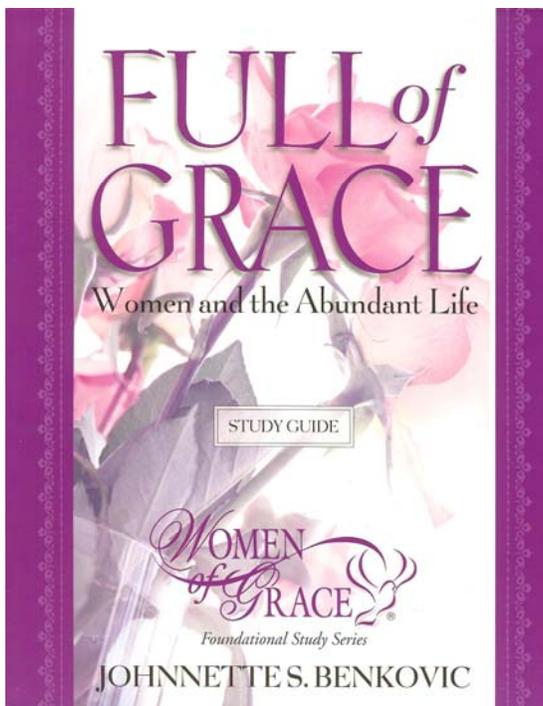

The Women of Grace Study draws upon Sacred Scripture, magisterial teaching, Church doctrine, lives of the Saints and the Catechism. The study uses DVD lessons, a workbook and small group discussions.

You will be supported and encouraged by other women as you discover your great dignity and vocation as a daughter of God.

*"Everything -
each chapter -
seemed written
specifically for me."*

**More than 50 women of all ages (20s to 70s!)
have completed the study at St. Raphael
and all would recommend the study to a friend!**

- *"The study is a great refresher in our Catholic faith. The materials help you learn about all of the great resources you can draw upon during the study and for the rest of your life.*
- *Meeting and knowing more women of all ages in the parish is a wonderful experience!*
- *It was an opportunity to carve out the time to concentrate on my spiritual life.*
- *It's a wonderful way to spend time with other women who are striving to grow their spirituality and to deepen own personal faith.*
- *I learned things that I don't remember being taught in Catholic School, I loved the structure and the formation of the content, I plan to "re-do" the entire study on my own, I believe this class could be taken over and over again, and you would still find value.*
- *All of it worked together. What made it excellent was that it included the saints, Catechism, encyclicals. it is the truth of our faith. it helped us move out of ourselves and look into the deeper meaning of who we are as women.*
- *One cannot walk away from this study without some growth."*

The eight-session study will be held every other Friday morning in the Youth Center from 9:30am-11am starting September 21, 2012.

We also have a plan for **working women** so you won't miss out on this wonderful, faith-building experience!

Each participant uses a book and a workbook which are \$41.

To register, contact Adrienne at StRaphaelGrace@aol.com or call 301-340-9695
